HDPE FITTINGS · CATALOGUE SIZES

HDPE Butt Fusion 90° Elbow

Original photograph from the supplied product library. Illustration only; the photo does not identify a specific size or pressure rating.

PRODUCT CONFIGURATION

Material
HDPE

Connection
Butt fusion

Catalogue designation
SDR13.6 / SDR17

Listed configurations
15

> Only the size combinations and designations listed in this sheet are covered. Do not assume that every size is available in every pressure class. Complete listed configurations follow on the next page.

BEFORE ORDERING

Send the catalogue code or exact size combination, required rating, quantity and project conditions with your enquiry. Availability is subject to confirmation.

DOCUMENT SCOPE

Technical selection reference prepared from supplied product data. Not a certificate, test report, engineering design or installation instruction.
